

# QUALITY POLICY STATEMENT

Wingate Electrical plc (Wingate) provides services to construction industry and railway clients in the design, provision, installation, testing, pre-commissioning, commissioning of electrical, mechanical, instrumentation and building services.

The company is committed to building long term professional relationships with its clients and suppliers by satisfying agreed requirements and expectations.

Wingate is committed to continuous improvement of the company's systems, processes and services.

Company objectives are set by the board and regularly reviewed at management meetings by directors and senior management to ensure that:

- Client requirements are agreed and satisfied.
- The company complies with the requirements of the Company's Management System.
- Personnel and resource needs are being met.
- Company performance is robustly monitored.
- Compliance to legislative and standards requirements is achieved.
- Communications with personnel, clients, suppliers and other stakeholders is effective.
- This policy is fully communicated to all relevant parties.

This policy is regularly reviewed (minimum annually) to ensure that it is relevant, suitable and reflects current objectives.
